

**Kidderminster
Horticultural Society 2
day show
September 13th & 14th 2008**

Dear Sam and team,

I am writing on behalf of the KHS to thank you for your fantastic performances at our two-day show at the RAMADA hotel Bewdley in September.

Your acts were truly memorable and enjoyed by young and old alike. Sam you have a wonderful talent and your solo pieces were outstanding. Your duets with Laura were also amazing and captivated your audience. A special mention to Fred also he had us all in stitches. What a good job the weather held for us so you could perform your show outside in the arena. You certainly managed to fill the air with your wonderful music.

I think you were appreciated even more this year than last. Your talents appear to be improving all the time.

We are all looking forward to next year so make a date in that full diary of yours!

Once again thanks for your support and keep up the good work.

Sue Cooke
