Dear Sam

I would like to say an enormous THANK YOU to you and to Fred for your wonderful performances at our Christmas Concert last Friday at Stouport Civic Centre. After your brilliant performance last year, many of our audience with learning disabilities were really looking forward to seeing you again – and you didn't let them down!

Your singing and playing go from strength to strength and you were a fantastic opening to the concert, getting everyone in the mood to enjoy themselves. You work so well with Fred - your styles are very different but complement each other perfectly. I was really impressed at the way you both involved the audience – I have captured some very special moments on camera

Some comments from people at the concert were:

"I loved the saxophone player", "The singers were great", "I really enjoyed the concert".

We are so grateful that you support us in this way, especially at a time of year when you must be in great demand. Also, of course, a big thanks to Jill for all her help and kindness.

I know that you are set for stardom – and we are so proud that you are happy to give your time to entertain us. We would be thrilled to have you at our concert next year.

Best wishes and many, many thanks again.

Sue Nicholl
